

COSMECURE RULEBOOK

Cosmecure is one of the most significant event of Asia's largest Chemfest - Vortex. In this event your knowledge regarding the cosmetic field is tested, here problem solving skills meets innovation. Problem statements are provided by the industry giants and whoever comes up with the best possible solution is crowned as the winner.

Format of the event : 3 Rounds each being an elimination round

Round 1- Entails of 3 stages and yes this is gonna be OFFLINE!!

Stage A: MCQ questions

Stage B: Picture bases questions

Here comes the twist, now points will be allotted as per your rank in part A and part B and only the select few will be able to proceed to the final stage in round 1.

Stage C: Practical round- Here a range of products having the same function will be given to you, and you have to evaluate which is the best among them.

Round 2- Abstract submission

You will be given a question statement by the company regarding the issues faced in the industry and you have to use your technical and pharmaceutical knowledge to come up with a solution for the same.

Criteria: Font-Times New Roman

Size- 12

-The abstract should not exceed 4 pages.

-Abstracts should be submitted via email in the form of PDF only.

-Plagiarism is strictly prohibited and may lead to disqualification.

-The judges will review your abstracts and only the most relevant ones will qualify so make sure to read the problem statements thoroughly.

-It is mandatory for you to mention your requirement of ingredients for the preparation of formulation so that we can provide with same in the final

Round 3

The qualified participants will get to work in the prestigious lab of ICT Mumbai. Here you have to showcase your practical skills and make the product which you have written about in the extract. You are required to make and submit the product based on your choice of abstract and problem statement only.

A panel of judges will choose the the most suitable and usable formulation for the winners titke

-Finalists will be provided with ingredients to prepare the formulation

- Finalists will be provided 3 hours to work in the lab
- Finalists must carry their lab coats, safety goggles and hand gloves
- Ingredients and apparatus will be provided.
- Lab decorum must be maintained

NOTE: The event heads reserve the right to change the rules of the event at any time and will do their best to update the participants
